

CAREER OBJECTIVE

Aspiring Data Analyst with a strong foundation in statistical analysis, data visualization, and data-driven problem-solving. Eager to apply my skills in data cleaning, manipulation, and interpretation to uncover actionable insights and support data-informed decision-making in an organization.

WORK EXPERIENCE

**Data Analytics • Internship**  
Anudip Foundation, Ghaziabad

Jun 2024 - Sep 2024

Developed interactive dashboards and reports using Power Bi, enabling data-driven decision making by visualizing complex datasets. Utilised Python and Excel and SQL for data extraction, transformation, and analysis, streamlining data processes and creating insightful visualisations. Enhanced buisness insights by creating customised visualisations and automated reporting solutions, improving overall efficiency and data accessibility

EDUCATION

**B.Tech, Artificial Intelligence**  
ABESIT

2021 - 2025

**Senior Secondary (XII), ICSE**  
St Paul's Academy, Ghaziabad  
Percentage: 82.00%

2021
